

Cottonwood Heights **Youth City Council (YCC)** **Application**

The city of Cottonwood Heights sponsors a Youth City Council to provide the youth of our community an opportunity to get involved with the city government and provide opportunities for service and education. Social events are also held regularly. Members meet twice a month. All members of the Council must live within the boundaries of Cottonwood Heights (or attend High School in the city) and be in grades 9 thru 12 (for the 09-10 school year). All Youth City Council members will be representing our city and would be expected to be willing to serve, attend meetings, support the goals of the Council, and be individuals of character and integrity. Applicants may be expected to participate in a short interview with the YCC Advisors and Youth Council Mayor.

This is an opportunity to serve the community, develop leadership skills, and participate in educational experiences. Besides being fun, being a member looks good on resumes and scholarship applications.
